

BALEX RAMP REVIEWS

BALEX
AUTOMATIC BOAT LOADER

Stillwater - Auckland

Overview

The Stillwater ramp is tucked away at the edge of Weiti River leading into Karepiro Bay. The ramp is located half an hour from Albany and 20min from Silverdale. There is a ramp fee of \$5 for non members, which can be paid at the club or in the honesty box next to the ramp. The ramp gets strong currents, especially at incoming tide, so make sure you are prepared for it. It is a one lane concrete ramp, with no jetty.

Parking

There is not much parking for cars with trailers, also it is for Club Members only. Make sure you enquire at the Club, so you won't get towed.

Facilities:

A little toilet block with one toilet and a changing room is next to the car park. The Club offers a lot of entertainment and food for hungry fishos after a trip out.
