Sulphur Point – Tauranga Harbour

Overview

Sulphur Point is a busy boat ramp, especially over the summer months. There is a four-lane boat ramp of six degrees pitch next to the dry stack, as well as a six-lane ramp of seven degrees pitch 200m further north. They are all-tide concrete ramps suitable for all sized trailer boats and are free to use.

Parking

There is plenty of space for cars with trailers at the ramps. And more parking on the grass area nearby.

Facilities:

Adjacent to the four-lane ramp you can find a restaurant. There is fuel on the jetty around the corner. Toilets, Club rooms and a coin operated boat wash station are located at the six-lane lane ramp. Nearby is a dive shop, boat servicing, tackle shop with bait and ice, as well as a Top Catch store. Within minutes drive You can get to cafes, the Tauranga Sport Fishing Club and a Burnsco store.
